of the recurring cost. I think we may accept their view as to its urgency. The only question is whether we would be able to provide for our share of the recurring expenditure in the next budget. The Finance says it is not possible to do so. If we cannot provide for it it would not be desirable to raise hopes by accepting the offer of Messrs Rudrappa & Basalappa to put up a maternity building at the place.

35) The only alternative would be to tell the Dist. Board & the Municipality that Govt. is not prepared to bear its quota of cost for the present & that if they are willing to bear the whole cost of the maternity until such time as the Govt. is in a position to provide for its share they may have the maternity.

med: 271-33-7

Sir,

With reference to your letter No.G.1622/ Med.271-33-6 dated the 16th August 1934, about the construction of a Maternity Hospital at Gubbi, I have the honour to state that as both the Local Bodies are agreeable to bear their quota of the cost of maintenance of this Institution, the proposal of Messrs. C.Rudrappa and Basettappa, for the construction of a building for this purpose may be accepted.

The same type of plan, as was adopted for the Female Dispensary and Maternity at Vedathore, estimated at Rs.13,800/- may be approved for this place also. Copies of the plan may kindly be obtained from the Chief Engineer in Mysore.

This is not a well-planned building. It is expensive without being comfortable.

The scale of the initial and recurring cost involved in the opening and maintenance of this Institution is herewith enclosed for the information and orders of Government. The Government share of the cost viz., the pay of Medical Subordinate and the cost of Europe Medicines, may be provided for in the Budget Estimate for 1935-36, by which time the buildings can be expected to be ready.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

GENERAL SECTION
20 NOV 1934

To

The Secretary to Government,
General Department, Bangalore.

SIR,

Subject:- Construction of a Maternity Hospital at Gubbi.

I have the honor to forward herewith a copy of letter No. G.C.243-12 dated the 9th November 1934 received from the Senior Surgeon in Mysore on the above subject and to request you kindly to intimate the amount of donation promised by Messrs: Chinavara Rudrappa and Basettappa for the building to enable this Department to prepare necessary plans and estimate within the amount promised.

2. A copy of the G.O.No.4171-4/Med. 271-33-8 dated the 13th October 1934 accepting the donation may kindly be forwarded for reference.

I have the honor to be,
Sir,
Your most obedient servant,

For Chief Engineer of Mysore.

MCP.

Letter No.G.C.243-12 dated 9th November 1934 from the Senior Surgeon in Mysore, to the Chief Engineer of Mysore, - Bangalore.

In reply to your letter No.3134 dated the 1st November 1934 re: the construction of a Maternity Hospital at Gubbi, I have the honor to state that no specified donation has been promised by the donors, but the whole proposal started on the - "Government accepting the offer made by Messrs: Chinavara Rudrappa and Basettappa to construct at their cost, a building for the purpose".

When I was asked to submit final proposals in the matter, I suggested that the Yedatore type of Maternity which costs Rs 13,800/- might be adopted for this purpose also, as the gentleman had told me personally that he would be willing to construct a building costing about 14 to 15 thousand rupees. As this design was not approved by the Government, I requested you to prepare a plan and estimate as per the sketch furnished with my letter No.G.C.243-8 dated 20-10-1934 (costing about Rs 14,000).

Details of the specific donation promised may, if required, be kindly ascertained from the General Secretary to the Government.
